However, for the contract year beginning October 1, 2012, the bill requires that AHCCCS reimburse ambulance services at 68.59% of the rates established by ADHS (section 18). The bill also exempted rules regarding revisions to ambulance reimbursement from the rulemaking requirements of A.R.S. Title 41 (section 25). The bill becomes effective August 2, 2012.

As part of this rulemaking, AHCCCS intends to describe the reimbursement methodology that the program will employ as of the effective date of the Health BRB.
